After Hours Care

When the Cannon Clinic closes for the day, there will always be an on-call medical or dental provider who can be reached by calling the appointment line at (575) 784-APPT (2778). Your call will be answered by a phone service that will connect you with the on-call provider or take a message and the on-call provider will promptly call you back. As a reminder, you will need a referral from a provider prior to seeking any urgent (non-emergent) care.
